

ENHANCE THE “BOTTOM LINE” THROUGH EFFECTIVE PERIODONTAL MAINTENANCE

*Are you missing an opportunity in Recall
by just “cleaning teeth”?*

Transform the traditional recall cleaning appointment into a major practice growth center. Dr. Low shares the *communication*, *motivational interviewing* and *technology* skillsets that empower the dental hygienist to move from ‘tooth cleaner’ to an educator who enhances production through opening windows of opportunity.

Revitalize patient encounters by

- Maximizing every moment of the 60 minute appointment.
- Achieving restorative case acceptance in the RDH chair.
- Vendorizing the operatory to ensure compliance with products and enhance revenue.
- Building relationships for long-term return.
